

SD-PIC Code of Conduct Policy

In addition to making progress towards the SD-PIC Aim and Profession-Wide Competencies during the training year, it is expected that interns follow the SD-PIC Code of Conduct at all times during the year. Failure to meet these requirements may result in the initiation of the SD-PIC Due Process Procedures.

South Dakota Psychology Internship Consortium Code of Conduct

1. Compliance with the 2018 ASPPB Code of Conduct APA 2017 Ethical Principles and Code of Conduct
2. Compliance with all agency and SD-PIC policies and expectations
3. Honesty and integrity in all professional interactions
4. Respectful and professional behavior toward all SD-PIC faculty members, interns, agency staff, guests, and clients both within and outside of standard work hours
5. Support of and contribution to the betterment of the SD-PIC training program
6. Active and meaningful participation as a member of the internship cohort
7. Willingness to be supervised, including following supervisors' directives, and to accept constructive criticism
8. Acceptance of responsibility for one's own actions
9. Pursuit of problem resolution through appropriate channels
10. Submit necessary documentation within specified timeframes
11. Compliance with any codes of conduct or policies regarding professional expectations at SD-PIC Member Agencies

Acknowledgment:

I acknowledge that I have received and reviewed the SD-PIC Code of Conduct Policy. I agree to abide by the code during my training year with SD-PIC. I have been provided with a copy of the document to keep in my files.
